Delegated Regulation (EU) 2015/1186

|                                                   |                                                                                                                                    |
|---------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------|
| Supplier name or trademark                        | <b>Plamen</b>                                                                                                                      |
| Model identifier                                  | <b>Tena</b>                                                                                                                        |
| Energy Efficiency Class                           | <b>A+</b>                                                                                                                          |
| Direct heat output                                | <b>9,5 kW</b>                                                                                                                      |
| Indirect heat output                              | <b>- kW</b>                                                                                                                        |
| Energy Efficiency Index                           | <b>107</b>                                                                                                                         |
| Useful Energy Efficiency (at nominal heat output) | <b>80,5 %</b>                                                                                                                      |
| Useful Energy Efficiency (at minimum load)        | <b>- %</b>                                                                                                                         |
| Specific precautions                              | <b>Please read the operating instructions and observe the warnings and guidelines for installation, operation and maintenance.</b> |
